Subject: White Paper: File and Print Direction

The White Paper, File and Print Direction, has been developed to define the issues surrounding the provision of network file and print services, and the future statewide IT direction.

The White Paper may be viewed at: <http://itsd.mt.gov/policy/itpolicy.asp>

This White Paper was developed in support of provisions of the Montana Information Technology Act (2-17-505, MCA) that states the Department "shall establish and enforce statewide information technology policies and standards".
